OTHERS

1. Tell us a little bit about yourself?

I am a Malaysian Chinese born in Seremban and my home town is in Johor. I grown up staying in Selangor since i was born.

2. Why do you want this job?

To earn a living and at the same time to see if i can grow my career in audit to a higher level than my current ones. I have read the job description and i presume that there will be room for me to advance to a higher level responsibility.

3. What are your greatest professional strengths which is NOT the standard answer found on any job portal, such as you are fast learner, hard worker, etc?

Able to deal relatively well when facing with adverse situations.

4. What do you consider to be your weaknesses?

Not having good soft skills such as the ability to deal well with people, communicate effectively and etc.

5. What is your greatest professional or academic achievement?

ACCA and a 1st class honours in Finance degree

6. Tell us about a challenge or conflict you faced, and how you dealt with it?

I dealt with an unreasonable and unprofessional manager in my prior firm. Literally i would say that the manager act in a way which is out of his mind. However, like i mention i am able to work my way out in adverse situation and i did not fight back as the outcome will be pretty obvious that all will be in vain. I highlighted to the higher management and move on.

7. Where do you see yourself in five years?

I want to gain a higher position in my audit career than my current one.

8. Why are you leaving your current job? (if applicable)

9. What are you looking for in a new position?

To take my audit skills to a higher level such as dealing with more advance section such as group consolidation with many subsidiaries, goodwill impairment and etc.

10. How would your boss and co-workers describe you? (if applicable)

11. How do you deal with pressure or stressful situations?

always evaluate as much as you could based on the available information that you have before making any decisions.

12. How do you get to know us?
