RE: Letter of Recommendation

It is my pleasure to recommend LOW XIN YEE for employment with your organization. I have known her for over 2 years and 4 months during which time she worked as SOFTWARE DEVELOPER in my office. I have been consistently pleased with her work ethic during the time that she has worked in the office.

She is both dedicated and motivated. I am confident that she will devote herself to a position with your organization with a high degree of diligence and independence. She is quick to show her ability to digest large volumes of information and complete her tasks.

I recommend LOW XIN YEE without reservation. I am confident that she will establish productive relationships with your staff and organization.

Sincerely,

[S I G N E D]
